Dear Parents/Caregivers

New School Hats

Due to a number of factors, the uniform committee are beginning the process of reviewing our current suppliers of our school uniform items. The uniform committee is represented by teachers, office staff and parents and our initial discussions have been around school hats. We will include student reps on the committee for future meetings. Over some months we have some made decisions that have been endorsed by our Parent Body and we have purchased a new school cap and surf style hat from a new supplier. We are also keeping the price of our new hats at almost cost price (as per below). Like any uniform change there is a transition process. A fair transition is around 12 months for the new uniform item to become standard on all students. It’s important to remember that as a parent you do not need to rush up to the office and purchase a new hat for your child/children. Your child can continue to wear their current school hat for up to 12 months or purchase a new one if that’s what you decide.

The new hats will go on sale tomorrow, Wednesday 29th April.
A reminder that our uniform shop hours are:
Monday, Wednesday and Fridays 8.30am – 10.30am and 2.30pm and 3.30pm.

Below are photos of the new school cap and surf style hat and also our current school hats.
The cost of our new hats will be $10.00 and we are selling our old school hats for $5.00 until the stock is depleted. Remember, you can wear the current school hat for up to 12 months.

Yours Sincerely

Mr Batty and the Uniform Committee
