Dear Parents and Guardians,

National Walk Safely to School Day is being held on Friday 22\textsuperscript{nd} May 2015. You are encouraged to walk to school with your child if it is at all possible.

As part of St Andrews Public School’s involvement in National Walk Safely to School Day, Kindergarten teachers will be taking students for a walk outside of school grounds. We will walk up along Ballantrae Drive up to Blairgowrie Circuit and back down to the pedestrian crossing. We will also be visiting the local shopping centre to look at the different types of shops and the goods and services that they provide to meet our needs (and wants) as part of our Staying Alive unit of work.

We will be reinforcing the health and environmental benefits of walking whenever possible. We will also be reinforcing pedestrian and bus safety, especially the following points:

- Children up to 8 years old need to hold an adult’s hand on the footpath, in a car park and when crossing the road.
- Children up to 10 years old should be actively supervised in the traffic environment and should hold an adult’s hand when crossing the road.
- Stop! Look! Listen! Think! Every time you cross the road.
- Use a safe place to cross the road.
- Wait until the bus has gone, then use a safe place to cross the road.

Kindly complete and return the section below to your child’s teacher as soon as possible to allow your child to participate in these valuable activities.

Mrs K. Smith
AP ES1

Mr S. Keast
Relieving Deputy Principal
