Dear Parents/ Caregivers

The PCYC (Police Citizens Youth Club) will be coming out on our next Gala Day, Friday 5th June, to work with our in-school sport students and provide them with an exciting and engaging Zumba aerobic dance session.

The cost for students to participate is $3.00 per student. Participation is not compulsory, however, past experience has shown this to be an enjoyable experience that is very popular with the students. The PCYC are also offering all students who participate a FREE club membership, valued at $8.00. This would mean that students would be given 12 months access to the centre, allowing them to participate in any of the activities offered. These include boxing, netball, table tennis, taekwondo, gymnastics, Zumba, archery and dancing. This is a fantastic opportunity and a great way to keep our students active and healthy. Students will be issued with their membership card at school in the weeks following the Gala Day.

If you would like you child to participate, payments, permission notes and membership forms are to be handed directly to the sport teachers on Gala Day, 5th June. Please note that no payments are to be made directly to the office.

Yours sincerely,

Mrs Kiri Smith
Sport Coordinator

Mr S Keast
Rel. Deputy Principal
