Year 2, 2016

Dear Parents/Caregivers,

Welcome to a new school year! The teachers are looking forward to working with you and your children throughout the year.
The year 2 teachers and classes are:
2B - Ms Jeanette Boots
2C - Miss Colleen Butler
2L - Ms Meredith Lawrie
2S - Mrs Susan Shennan (Monday - Wednesday), Mrs Leisl Hall (Thursday - Friday)
2T - Mrs Connie Tunstall

Please note that, at the start of the year, **ALL classes throughout the school have been formed on a **TEMPORARY** basis until our student numbers have been confirmed. Although we aim to keep disruption to a minimum, it may be necessary to move some students to another class during the first few weeks. Should this affect your child, we will contact you as soon as possible.

To assist in the establishment of routines and help children develop good work habits, your child will require the following items:

- 1 glue stick (NOT liquid glue)
- 2 HB lead pencils
- textas
- library bag
- highlighters - blue, green, orange and yellow
- pencil sharpener with container for shavings
- 1x A4 plastic document wallet for homework

**PLEASE ENSURE ALL ITEMS ARE LABELED WITH YOUR CHILD'S NAME**

It would be appreciated if each child could bring the following to share: tissues, pump pack liquid soap, paper towels, wet wipes, and three large size whiteboard markers - any colour.

**Year 2 sport** will be on Wednesdays. Children should wear their sports uniform, joggers and hat.

**Homework** will commence in **week 4**. Further information, including your child's library day, news day, assembly group etc., will be provided when timetables are finalised.

Thanking you for your co-operation,
