18th December – Year 6 movie day and last day of school for students (more information and permission notes to come).

Transition to high school. To support students as they move from year 6 to year 7, high schools organise a variety of transition programs and parent information sessions. Parents should contact their child’s high school if they need further information. All public high schools will conduct an orientation day on December 4th. Parents of students attending Robert Townson High School will be invited to a parent information session on this day and students will participate in a high school experience program. Parents are responsible for transporting their child to and from Robert Townson High School. Students who have already completed the “Kick Off” transition program will still be required to attend as additional experiences and information will be provided. Please contact the high school if you require further information.

If you have any questions about end of year events for year 6, please contact your child’s teacher or me.
