TOURNAMENT OF MINDS
CHANGE OF LOCATION

Dear Parents/Carers,

Unfortunately, due to a restructure, UWS Bankstown is no longer hosting the Tournament of Minds challenge. In order to ensure we can still participate, we have had to select a new location for the event. The new location will be:

University of Western Sydney, Kingswood

Being a part of the Tournament of Minds team requires a certain level of commitment from the students and their families. The students have chosen their challenge and are well on their way to preparing their responses. They have been required to dedicate a large amount of their spare time at lunch, recess and even after school to work with their team, and must continue to do so for a few more weeks.

Teams will be required to present their response to their challenge on Tournament Day, Sunday 23rd August at the University of Western Sydney, Kingswood. They will also be required to participate in a spontaneous challenge. All team members must attend in order for the team to participate. If your child does not attend, it will mean that the others cannot perform on the day. It is the parent’s responsibility to transport students to and from the venue. Times will be communicated at a later date once allocated.

Yours faithfully,
