Important information

- All permission slips must be completed and signed prior to the activity for your child to take part. Please have your Medicare details with you when you sign your child up.

- Each child will be limited to one activity during this holiday program. They can also put their name onto the reserve list for any of the other activities that may have vacancies closer to the date.

- It is the responsibility of the parent to drop their child off at KARI on time and be at KARI on time for pick-up.

- Please ensure your child brings a drink bottle and a hat, wears enclosed shoes & socks and a t-shirt (no singlet tops).

- If your child cannot make it, your KARI point of contact must be told 24 HOURS BEFORE the program is due to begin in order to allow enough time for another child to take the vacated spot. Failure to do this may affect your child’s future eligibility for KARI Vacation Care programs.

To nominate your child for an activity, you can either come in to KARI or contact us during office hours and ask for Community Programs.

To complete your child’s registration you will need to submit the required permission forms to KARI at least one week prior to the activity.
